at a glance

DATE: Saturday, February 5, 2022
TIME: 6 – 10 p.m.
VENUE: Liberty Prime Steakhouse
111 Montgomery Street, Jersey City
THEME: Roaring '20s
HONOREES: HCLF Heroes

Since its founding in 2017, the Hudson County Latino Foundation has delivered unmatched healthcare, education, and community development services to under-served communities in New Jersey's Hudson, Passaic, and Union counties.

HCLF offers support for the State's Low Income Energy Assistance Program/Universal Service Fund; financial literacy workshops for adults; fiscal sponsorship to global and local projects; and most recently, low-cost and pro bono immigration assistance for individuals and families seeking status.

The Foundation's annual gala, tied around the theme of a roaring 1920s, is a nod to our own 2020s, which have also been a period of contrasting social change. Throughout the evening, we will recognize and honor change makers—those heroes who kept our communities going during this historic time.

Liberty Prime Steakhouse is a perfect venue to accomplish this; as a Classic American restaurant offering high-end cuisine in an elegant space, we'll be transporting our guests to a different era, right in the heart of downtown Jersey City.
